The pet will be treated as a family member with loving care and affection. I will do my best to ensure the pet's safety and well-being.

I will provide all required and/or needed veterinary care, including rabies shots as required every 1-3 years; yearly booster shots which will be up to the veterinarian to determine and may or may not include the following: Lyme, Bordetella, Parvo, Distemper or others, annual fecal checks for internal parasites (worms.) Prompt treatment by a licensed veterinarian for any illness or injury are required.

I am adopting the pet for myself and I agree to not give away, sell, or trade my pet. I will neither take the pet to a shelter nor abandon the pet. I understand that I must notify AAHS, without delay, if I can no longer care for or keep my pet and agree to give AAHS reasonable time to rehome my pet or place my pet in an approved home, if available.

I agree to accept responsibility and ownership of the pet at my own risk and I release AAHS and its agents from any and all liability arising out of possession and ownership of my pet. I agree that I am assuming total financial responsibility for my pet as of the date of this contract. AAHS and its agents will not be held responsible for any damages or expenses (veterinary or other) incurred during my ownership of the pet.

The pet's known background and medical history have been discussed with me and copies of all pertinent records have been provided. I understand that AAHS has made no representation concerning the health, condition, training, behavior, or temperament of the pet.
