

CAWS4PAWS

Attention Dog & Cat owners!!!

Are you having problems with strays and feral cats? Do you feel like you are feeding the cat colony that never ends? Through expansion of our community low-cost spay/neuter program, the Andalusia Area Humane Society is helping to design a Covington County spay/neuter program to include feral cats. Please take a minute to answer the questions in this survey. Citizens for Animal Welfare Solutions, a community outreach group and the AAHS, is meeting to develop a way to help people, like you, deal with the overpopulation of strays and feral cats. Your answers will help in determining some of the steps that will need to be taken. Thank you for your time and interest.
