COMPLETE & CONTACT THE VET OF YOUR CHOICE LISTED BELOW

For Covington County residents and individual household pets. Limited in scope - depends solely on funds raised locally through annual fundraisers and donations. Not intended for animals 'in heat', emergencies, or for households with multiple pets that need to be spayed or neutered – although, with approval, litters of kittens and puppies may be included when the mother is also being spayed. Spay/neuter/rabies vaccination only included in this program. By appointment & all surgery subject to participating veterinarian schedule. Any additional expenses incurred are the responsibility of the owner. Questions? Message us on Facebook

**For low-income households and residents who take in and give a stray a forever home.
RATE IS FOR PETS 50 LBS & UNDER - OVER 50 LBS, CALL VET FOR COST**

Proof of rabies vaccination within a year is required. If you have it, then your cost will be only \$50 for your pet. If rabies vaccination is required then your cost will be \$65 for your pet under 50 LBS. Your portion must be paid at time of surgery and AAHS invoiced for the balance. This program ONLY covers the actual surgery and the owner is responsible for any additional charges that may be incurred.
